TABLE OF CONTENTS

1	Introduction	1
1.1	A subsection	1
2	The final section	2
	References	2

1 | Introduction

Here is some text with math $x^2 + y^2 = x^2$, and also some display math;

$$\begin{aligned}(A \otimes B)(x_j \otimes y_q) &= Ax_j \otimes By_q \\ &= \left(\sum_i \alpha_{ij} x_i \right) \otimes \left(\sum_p \beta_{pq} y_q \right).\end{aligned}$$

Next we have a numbered equation:

$$\sum_i \sum_p \alpha_{ij} \beta_{pq} (x_i \otimes y_p). \tag{1.0.1}$$

1.1. A subsection. A subsection with some text as well, and a reference [1] (to an article) as well as to an equation: (1.0.1). We can also reference a section as follows: see section 1.

2 | The final section

Here is even more text!
