## **Abstract**

Here goes text

# TABLE OF CONTENTS

<b>1</b>	<b>Introduction</b>	<b>3</b>
1.1	A subsection	3
<b>2</b>	<b>The final section</b>	<b>4</b>
	<b>References</b>	<b>5</b>

## 1. INTRODUCTION

Here is some text with math  $x^2 + y^2 = x^2$ , and also some display math;

$$\begin{aligned}(A \otimes B)(x_j \otimes y_q) &= Ax_j \otimes By_q \\ &= \left( \sum_i \alpha_{ij} x_i \right) \otimes \left( \sum_p \beta_{pq} y_q \right).\end{aligned}$$

Next we have a numbered equation:

$$\sum_i \sum_p \alpha_{ij} \beta_{pq} (x_i \otimes y_p). \tag{1.0.1}$$

**§ 1.1. A subsection.** A subsection with some text as well, and a reference [1] (to an article) as well as to an equation: (1.0.1). We can also reference a section as follows: see section 1.

## 2. THE FINAL SECTION

Here is even more text!
